

Carbon Removal Investment Summit

Modelling-Driven Insights and Outlook

3rd June, 2025

Sponsor Opportunity

Why Sponsor?

- **Position your brand as a pioneer:** Align your organization with the cutting edge of carbon removal innovation and climate solutions, establishing leadership in a transformative global market.
- **Gain targeted exposure:** Reach an exclusive audience of 200+ decision-makers, including global investors, corporate buyers, policymakers, and technology developers driving the carbon removals ecosystem.
- **Generate high-value leads:** Connect directly with potential investors, clients, and partners through curated networking sessions and competitive pitching opportunities.
- **Showcase your expertise:** Highlight your solutions and thought leadership via speaking slots, sponsored sessions, or project deep-dives, influencing the future of removal investments.
- **Strengthen your industry network:** Forge strategic relationships with leading players in the carbon removals space, from London-based investors to Europe-focused developers and multinational buyers.
